Gentlemen:-

I have some coins and medals (which I inherited) about which I know very little-almost nothing in fact;and which I wish to dispose of.It may be that among them there are some that have value for a collection.

Should you wish to look them over I would be glad to send them down and you could then determine of there are any that you might want. One never knows about these matters, if he has no special knowledge, which I lack.

Should you care to look at them, please let me know; and oblige,

Yours Very Truly,

Joseph B. Thompson

Dear Sir:

Replying to your communication
of February 8th, your coins arrived some

what we can as soon as it is possible to
find the time.

Joseph B. Thompson, Esq.
185 Main Street
White Plains, N.Y.

Dear Sir:

I beg to apologize for not returning sooner the coins which you sent to us, but everything of later has interposed to prevent my doing so. I have now had an opportunity to look them over carefully and find among them nothing that we desire; in fact, none of the pieces are of sufficient value to be worth more than face.

I am returning these coins to you by parcel post, insured, and beg to thank you very much for submitting them.

Very truly yours,

Curator
